I. INTRODUCTION

PHILOSOPHY OF EAST DAYTON CHRISTIAN SCHOOL

East Dayton Christian's philosophy is based on the Word of God. The primary objective and purpose of the school is to train the student in the way of life presented in the Scriptures while giving him an excellent education.

Since the primary reason for the existence of the school is a spiritual ministry, evangelistic efforts are made to bring all students to a saving knowledge of Jesus Christ so that the teaching of the spiritual truths may have a firm foundation. This is followed by instruction of the principles of God's Word.

The academic program, through the traditional approach, is developed to provide students with the best possible program of studies. There is emphasis on the mastery of the fundamental blocks of material necessary for satisfactory achievement in these areas. In the elementary, strong emphasis is placed on phonics and memorization of mathematical facts. In the upper elementary, stress is placed on the acquisition of facts and concepts in the areas of study, leading to the development and exercise of the powers of reasoning. At the high school level, the emphasis is on higher order thinking and problem solving with college preparation as the focus. Methods of teaching proven to be effective are utilized with a constant search for better methods. Realizing the difference in innate ability, we encourage each student to do his best. We believe the traditional system of education educates the mind and builds character. It encourages competition and teaches the value of living under a free enterprise system of government.

Character training is an important element in East Dayton Christian School. We believe that the heart of character training is obedience (deciding to do what is right), which will eventually cultivate an inner self-discipline and is essential to the emotional, physical, social, and spiritual well-being of the student.

The teacher is the authority in the classroom. Discipline is administered firmly but fairly. To obey, to do right, to love God and country, and to always measure one's attitudes against the principles laid out in the Scriptures, are characteristics we strive to instill in each student, thus equipping him for his role in God's plan for his life and for his proper place in society.

BRIEF HISTORY OF EAST DAYTON CHRISTIAN SCHOOL

It began in a basement but has impacted thousands.

East Dayton Christian School is an interdenominational ministry that started with a preschool in 1974, opened with 8 Kindergarten and 3 First grade students in 1978 with enrollment doubling each of the first four years and by 1985 include grades K-8.

Beginning in 2008, high school began by adding one grade level each year until EDCS celebrated the first Senior graduating class in 2012.

One of our students has played on an NFL Super Bowl champion team; LeBron James played as a Junior High student on our campus against EDCS in a state championship game.

Our Music & Worship Arts choir backed up Mark Lowry on "Mary, Did You Know?" at the sold out Victoria Theatre.

While thoroughly Christian, EDCS ministers to a wide-array of students; Christian, non-Christian, poor, wealthy, suburbia, inner-city, rural, with racial diversity, academic achievers and academic strugglers.

A missions outreach of New Life Fellowship Church, East Dayton Christian School has hundreds of students yet smaller class sizes and features preschool, childcare and grades K-12.

God's grace in its various forms. Do not be slothful in zeal, be fervent in spirit, serve the Lord."

DOCTRINAL POSITION

Even though we have many denominations represented on our staff and in our student body, we have experienced great unity here at East Dayton Christian School. God is blessing this ministry because we have strived to place Jesus Christ at the focal point of everything we do. We all believe in the central message of the Word of God, and stand solidly behind the Statement of Faith that appears on every student, faculty and staff application. We will not compromise on these central doctrines of the Word of God, yet those of us who belong to the body of believers have some differences that are unique to our particular denominations. When these particular issues are raised in our school system, we refer the student to their parents, and their local church for guidance.

MINISTRY GOALS

To serve the home as parents follow the Biblical command to "train up a child."
- **Obeying God's Word**

MISSION STATEMENT

East Dayton Christian School is committed to providing academic excellence from a Biblical worldview in partnership with families to provide a Christ-centered atmosphere to equip students from diverse backgrounds for lifelong leadership and service to glorify Jesus Christ.

SCHOOL PURPOSE

The primary objective and purpose of East Dayton Christian School (EDCS) is to train the next generation of Christian leaders and equip them for a life of service to their Savior, homes, churches, vocations, and communities. The teachers of East Dayton Christian School realize the solemn responsibility before God in molding the lives and character of each of their students in order to give a good foundation for each child's future. East Dayton Christian School is not for profit. It operates under New Life Fellowship, Inc.

STATEMENT OF FAITH

1. We believe the Bible to be the inspired and the only infallible authoritative Word of God. (II Tim. 3:16; II Pet. 1:21)
2. We believe that there is one God eternally existent in three persons: Father, Son, and Holy Spirit. (Gen. 1:1; John 10:37,38)
3. We believe in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death through His shed blood, in His bodily resurrection, in His ascension to the right hand of the Father, and in His personal return in power and glory. (Isa. 7:14; Matt. 1:23; Luke 1:35; Heb. 7:25; John 2:11; Col. 1:14; John 11:25; Acts 1:11; Rev. 10:11-16)
4. We believe that man is sinful by nature and that regeneration of the Holy Spirit is essential for his salvation. (Rom. 3:10, 23; John 3:16-19; John 5:24; Eph. 2:8-10; Titus 3:5-6)
5. We believe in the continuing ministry of the Holy Spirit, by whose indwelling the Christian is enabled to live a Godly life. (Eph. 5:18; Eph. 4:30; I Cor. 3:16; I Cor. 6:19-20)
6. We believe in the resurrection of both the saved and the lost; they who are saved unto eternal life, and they who are lost unto eternal damnation. (John 5:28-29)
7. We believe in the spiritual unity of believers in our Lord Jesus Christ. (Rom. 8:9; I Cor. 12:12, 13; Gal. 3:26-28)
8. We believe in the creation of man by the direct act of God. (Gen. 5:1-2)

STATEMENT OF FINAL AUTHORITY

The statement of faith does not exhaust the extent of our beliefs. The Bible itself, as the inspired and infallible Word of God that speaks with final authority concerning truth, morality, and the proper conduct of mankind, is the sole and final source of

all that we believe. For purposes of East Dayton Christian School’s faith, doctrine, practice, policy, and discipline, our school/church board of directors is East Dayton Christian School’s final interpretive authority on the Bible’s application.

II. ACADEMICS

ASSIGNMENTS

All students are expected to have their assignments completed on the date due. Late assignments will be penalized grade-wise or rejected. Lost textbooks, outside meetings, or failure to get the assignments are not valid excuses for turning in late assignments.

BIBLE

Bible study is recognized at EDCS as of fundamental importance and is a required subject. It augments the study of English, history, geography, and science. Without knowledge of the Biblical truth, a student cannot be considered educated. The Bible gives direction for this life, and the only hope for the life to come. No other book can so enrich the minds and hearts of men as “The Book of Books.” We use KJV & NIV versions for memorization.

BIRTH CERTIFICATES

Birth certificates will be checked by the school office at the time of enrollment. Parents should bring their child’s birth certificate (not a copy or hospital birth record) for the office to keep on file.

FIELD TRIPS

Various classes take trips to interesting and educational places in the area from time to time, as a vital part of the instructional program. Parents are notified in advance of these trips. Parents/Guardians who would like to attend a field trip are required to complete a background check. Please contact the front office for the correct form.

FIRST FULL DAY OF SCHOOL

The first day of school is listed on the yearly calendar. Listed below is a schedule for the day:

Morning Daycare – all students 6:30 a.m. Start Bell (K-12) 8:00 a.m.

Dismissal (Bus riders – varies depending on district) 2:30 – 3:00 p.m.

Dismissal (Walkers, car riders, daycare –varies depending on grade) 2:30 – 3:00 p.m.

Final Pickup (From daycare).....no later than 5:30 p.m.

Bus transportation is available from some surrounding communities. Schedules are passed out at Orientation in August. Students must ride their assigned bus. Guests are not allowed to ride home on the bus for visits. Parents must provide transportation for after-school visits and overnights. EDCS expects students to be good representatives on the school buses. Consequences will result when rules are broken. (Please refer to Orientation handout entitled “Bus Rules.”)

It is best for the parent to leave the child with the teacher on the first day of school. When the parent remains in the classroom, it makes the period of adjustment more difficult for both the child and the teacher. Parents should wait in their car in the pickup line or outside the school doors for their children when school is dismissed.

GRADING SYSTEM

The assessment tool is a ten point scale for grades K-12. The expectations are rigorous and are not diminished since these are determined by teacher expectations and not a particular grading scale. EDCS is committed to maintaining high standards of assessment, therefore the grading scale used is not as important as the method of assessment.

K-12 GRADING SCALE

GPA Value (unweighted)		GPA Value (unweighted)	
A+	99-100	4.0	4.0
A	93-98	3.75	3.75
A-	90-92	3.5	3.5
B+	88-89	3.25	3.25
B	83-87	3.0	3.0
B-	80-82	2.75	2.75
		C+	78-79
		C	73-77
		C-	70-72
		D+	68-69
		D	65-67
		F	64 & below

You may access your student(s) grades through our web-based system (Facts Mgt). This will allow parents to track grades as frequently as they wish. Report cards will be sent home at the end of each nine-week period for grades K-12. There is a \$1

replacement fee for a lost report card envelope. Report slips showing a student's progress will be emailed every three weeks. Student progress can be viewed by students and parents at any time through Facts Mgt.

HOMEWORK

Believing that homework is an integral part of the school program, each teacher is at liberty to give homework to aid the students in advancing their studies. Therefore, each student is required to complete his homework assignments on time. Homework is given for several reasons:

1. For reinforcement: We believe that most students require solid drilling to master material essential to their educational progress.
2. For practice: Following classroom explanation, illustration, and drill on new work, homework is given so that the material can be mastered.
3. For remedial activity: Homework following instruction is given to overcome various weak points in the student's grasp of a subject.
4. For special projects: Book reports, compositions, special research assignments, and projects are some of the activities that are frequently the subject of homework attention.

Homework may be assigned every day except short holiday weekends, except for long-term assignments (K-8).

Homework is tracked by the teacher. If your student should be delinquent in homework, you will be informed according to guidelines given at orientation, so that the work can be made up and training in responsibility in this area can be reinforced.

HONOR/RECOGNITION

Yearly Honor Roll/Principal's List (Grades K-12)

For the annual awards' assembly, we use the same criteria as listed above. This is determined by examining the yearly average column on the report card. In addition, there may be other awards presented during the annual awards assembly.

Honor Roll

- Grades K-12
Honor Roll consists of all students that have made "A's" and "B's" within a grading period.

Principal's List

- Grades K-12
Principal's List consists of all students who have straight "A's" within a grading period.

KINDERGARTEN

• ENTRANCE

Incoming kindergarten students should be 5 years of age by September 30th. Students must pass the kindergarten entrance test given by EDCS and submit the necessary paperwork for enrollment. If a parent wishes their child to be considered for kindergarten who has a later birthdate the following requirements must be met:

1. Must be 5 years of age by October 31st
2. IQ score must be 115 or higher as established by the Kaufman Intelligence Test
3. Pass the EDCS kindergarten entrance test
4. Submit a recommendation from a preschool teacher.

• GRADUATION

In order to participate in Kindergarten graduation, a student's account must be paid in full prior to the graduation ceremony. The date of graduation is listed on the yearly calendar. There is a cap, gown, and reception fee.

MAKE-UP WORK FOR ABSENCES

When a student is absent, the student must work carefully with the teachers to get the work made up quickly as possible, but at most within twice the amount of time which was missed (i.e. if absent two days, the student has four days to make up work). However, such work is the responsibility of the student, not the teacher. When an absence occurs, the student will receive full credit for make-up work unless it is turned in past the above-stated deadline. If, however, a student misses only the day a test is given or the day an assignment is due, he or she is responsible to make up the work the first day he or she returns.

A homework request (Grades K-3) when a child is sick, should be made prior to 9:30 a.m. and may be picked up at 3:00 p.m. in the School Office. Homework for grades 4-12th can be accessed through Facts Mgt or you can email the teacher directly.

ORIENTATION

All students and parents are expected to be in attendance on Orientation Day in August. The schedule for each grade level is listed in the summer mailing and the school website. This is a “getting acquainted” time for the students and teachers.

PARENT-TEACHER MEETINGS

Parent-Teacher Meetings are held according to the school calendar. Every parent is requested to attend each meeting for the benefit of the student and to obtain pertinent information concerning the school program. Please note the school calendar for dates.

REMOTE LEARNING

Remote learning may be offered for extenuating circumstances. Administration makes the final decision. The inability to complete state testing during the time frame of remote learning may affect EdChoice renewal. The length of time will be reviewed at the end of a grading period. If this will extend for the remainder of the school, the student would have to withdraw and enroll in an online school. We do not offer remote learning for a full year. Communication during the time frame of remote learning is at the responsibility of the parent.

STUDENT WITHDRAWALS

All withdrawals from school must be accomplished through the school office. Students having attended one full day or more of any period will owe the full period's tuition.

TRANSFER STUDENTS

All incoming students, grades K-12, must have records transferred from the student's previous school system. Grades 1-12 may be expected to take an entrance examination. Should the student's accomplishments (as shown on the entrance test and/or transferred records) be on the grade level to which the student has been promoted, records do not indicate cause for any disciplinary concern, and the intake interview provides no cause for concern, then the student will be admitted to that grade. It is the policy of the school not to accept students whose accomplishments have not been up to acceptable standards.

III. ATTENDANCE

ATTENDANCE POLICY AND PROCEDURES

Ohio State law requires that all students be in school all days and hours that school is in session. In order to be in compliance with this law relative to attendance, to help build the character quality of responsibility in students, and to continue to recognize the parents' continuing responsibility for their children, the following guidelines have been established:

Excused absences include:

- Illness (Absences for more than 3 **consecutive** days will require a medical note by the student's **actual** doctor in order to be excused. Note must cover all days missed and be turned into the school office within 3 days of the student's return to school. **COVID absences may be excused by submitting a doctor's note with the test results OR an image of a home test.**
- **Funerals (Does not require a Family Day Request Form)**
- Medical or dental appointment **Absences or tardiness due to medical appointments will only be excused if a doctor's note is turned into the office.** (After a routine appointment, students are expected to attend or return to school. Failure to do so, could possibly result in ½ day unexcused absence. **If a medical appointment causes a student to miss a full day of school, the medical note must excuse the student for the entire day.**)
- Absences approved in advance by administration (5 family days per school year) - **Parents need to use the form provided on the school website under the parent portal. There is a copy of the form located in the front office as well.** Since the home is the center of the child's educational program, the school encourages collective family activities which involve the student in fruitful learning experiences. Therefore, **with prior written requests of the parents**, students may be excused from school to go on family trips, events, or attend church-sponsored activities. *** EdChoice recipients should consult the EdChoice Attendance Policy guidelines regarding family days.**
- **College visits: A note needs to be turned in from the college visited in order to be counted as an excused absence. If no note is turned into the office it will be considered unexcused. All other school visits or shadowing a student at another school are unexcused.**
- **Driving school/Driver's tests: whenever possible, schedule classes/appointments after school. These absences are not excused.**

- **Out-of-School Suspensions or students picked up during the school day due to discipline issues may have unexcused absences.**

In case of absence for any reason, the parent/guardian must write a dated note or email Mrs. Hawley at chawley@eastdaytonchristian.org and the homeroom teacher explaining the reason for the absence. This note should accompany the child to school within 3 days of the student's return. If a note isn't received by the office within the 3 days, the absence will be automatically considered unexcused.

Excessive unexcused absences may result in dismissal from school. No refunds on tuition will be made because of absences. **Please refer to the policy that follows:**

Any student who exceeds 20 absences in a school year will be referred to administration for review in order for your student to be considered for enrollment the next school year.

Parents/guardians are to contact the school office each day that their child will be absent from school. Those students who are coming late should be called in by 8:20am as school lunches are ordered by 8:30am. **Lunch cannot be ordered after this time.** The school office phone number is 252-5400.

Signing In and Out:

- All students who arrive late must stop by the school office and obtain a pass to class. Students who are not accompanied by an adult should have a note explaining the reason for their tardiness; otherwise they will be automatically unexcused. If a note is given, the school office will determine whether the student is excused or unexcused depending on the reason cited in the note. Parents/guardians may also contact the school office by phone or email with the reason.
- **All students signing out before their dismissal time will need to be signed out at the school office by a parent/guardian, unless prior administration approval is granted.** If another person is authorized by the parent/guardian to sign out a student, the person must be of legal age and must provide a valid photo ID in the office. **Students who drive to school and are leaving early must have a note written by the parent/guardian with the reason that they will be leaving school early. This note must be in the school office at the beginning of the school day.**
- **All students of legal age who reside with their parents/guardians and will be signing out before their dismissal time, must have a note written by the parent/guardian with the reason that they will be leaving school early. This note must be in the school office at the beginning of the school day.**
- **All students, regardless of grade, are considered a half-day absent if they arrive after 9:30AM or if they leave school before 2PM.**

ATTENDANCE – ALL GRADES

Students are considered a half-day absent if they arrive after 9:30AM or if they leave before 2:00 PM.

- Any student who has been absent more than ten (10) days per year must have a doctor's note for each absence that follows.
- Any student with more than twenty (20) absences in the school will be referred to administration for review in order for your student to be considered for enrollment the next school year.

Parents should contact the school Administrator if unusual circumstances occur.

Students receiving state tuition scholarships are in jeopardy of losing their scholarship if absences exceed more than 20 unexcused days. (Please refer to state guidelines regarding requirements concerning absences.)

Accumulation of unexcused absences in a school year will result in the following:

- **20 unexcused absences in a school year will be assigned an in-school suspension.**
- Each additional 5 unexcused absences will result in a detention.
- **25 unexcused absences to school in a school year will require an in-person meeting with an administrator in order for your student to be considered for enrollment the next school year.**
- **A separate administration review for discipline and/or continuing enrollment may occur (grades K-12).**

DELAY SCHEDULE for inclement weather

2 hour delay: Everything is exactly two hours later. Morning daycare will open at 8:30AM for registered daycare students. **School will begin at 10AM for grades K-12. Students who are late will be considered tardy until 10:30AM.**

FOR INCLEMENT WEATHER ONLY:

If EDCS has a school and one of the involved public schools is closed, students from the closed school district will be considered an excused absence. **Parents still need to notify the school office for the absence to be excused.**

CONFIDENTIALITY:

Every effort will be made to protect the privacy of parties involved in any complaint. However, the school reserves the right to fully investigate every complaint, and to notify a student's parent/guardian and appropriate government officials as the circumstances warrant.

All health/school records are kept confidential according to standards put forth from the Ohio Department of Education:

"Parents have the right to inspect and review their child's education records. Parents also have the right to have their representative inspect and review their child's records. If the parents' representative does not accompany the parents, but the parents want the representative to review the files at a later time, the parents should put that permission form in writing. If there is a question about whether the parents have the authority to review the records, an agency may presume that the parents have the authority to inspect and review records related to their child unless the agency has been advised that the parents do not have the authority under applicable state law governing such matters as guardianship, separation and divorce."

Due to privacy/confidential issues, faculty and staff of East Dayton Christian School are required to not request prayer for their student(s) or their family on or off campus without permission from the guardian.

EMERGENCY CLOSING OF SCHOOL

If, for any reason, it becomes necessary to close school on short notice, parents may secure the details by listening to One Call Now and television channels 2 and 7. These notices will also be posted on the EDCS Facebook page and Instagram. When there is inclement weather, one of two messages will be conveyed: (1) school is closed; (2) school is delayed ___ number of hours. (Please keep listening or watching; the message could change to closed if bad weather persists.) If no message is aired, then it is safe to assume that school is scheduled as usual.

PICKING UP STUDENTS EARLY

For the safety of each student at EDCS, all visitors, including parents, **MUST** identify themselves at the main school office door (Spinning Rd.) Once identified, the office will release the door for entry. If others arrive behind you, kindly remind them to address the camera. We appreciate your help in this area as it helps to ensure the safety of our students. Upon entry, report to the office before picking up a student early. Teachers will not release a student except to authorized school personnel or to individuals who have obtained a pass from the office. All students who arrive after school begins or who leave before dismissal time must sign in or out at the main school office.

TARDY POLICY – GRADES K-12

Punctuality is very important. Being on time is a virtue to be cherished. If a student comes to school after the assigned start time, that student is to report to the School Office for a tardy slip, which will permit entrance into class. In order for tardies to be considered as excused, please confirm the circumstance to the front office by written note, phone call, or email. Students whose bus arrives late are not considered tardy. **In cases of a severe problem, such as an accident that closes the interstate, it will be at the administration's discretion to determine if the tardy should be considered excused or unexcused.**

School begins at 8:00 a.m. for grades K-12. Students are expected to be in the classroom at the time the bell rings. Students arriving after that time are considered tardy. Each tardy will be recorded on the report card as either excused or unexcused.

Accumulation of unexcused tardies in a school year will result in the following:

- **10 unexcused tardies in a school year will serve an after school detention and be placed on disciplinary probation.**
- **20 unexcused tardies to school in a school year the student will be assigned an in-school suspension.**
- **Each additional 5 unexcused tardies will result in a detention.**
- **25 unexcused tardies to school in a school year will require an in-person meeting with an administrator in order for your student to be considered for enrollment the next school year.**
- **A separate administration review for discipline and/or continuing enrollment may occur.**

During the course of the school day, for junior high and high school students; three unexcused tardies to class will result in a detention.

Each school year, this policy will be strictly enforced starting the second week of school. This is to allow all families to make adjustments to account for their particular routes, traffic patterns, and other potential problems. Please plan accordingly.

IV. CONDUCT AND EXPECTATIONS

A Rationale for the EDCS Honor Code

The characteristics of a Christian academic and social community include love (Romans 12:10), unity (I Corinthians 1:10), humility, gentleness, forbearance, kindness, forgiveness (Ephesians 4), and encouragement (I Thessalonians 5:11). They also require community members to be committed to integrity in both academic activities and human relationships (Romans 12:17; Matthew 18:15-20; Philippians 2:1-7). The Christian is called to “do all to the glory of God” (I Corinthians 10:31). We glorify God when our actions and attitudes reflect His glory by emulating His attributes. These include the characteristics listed above as well as others including justice, grace, integrity, beauty, compassion, and truth. We are exhorted to walk worthy of our calling as believers which include manifesting these characteristics in our lives (Ephesians 4:1-4; Colossians 1-10). We readily recognize our dependence upon God’s grace and the work of the Holy Spirit in this process.

As we endeavor to apply these principles in the context of the school community, it is helpful to provide specific descriptions of the commitments, expectations, and practices that should be present in the Christian school. EDCS is committed not only to the academic development of students but also to the maturity of each student’s walk with Christ. This includes encouraging holiness of life and academic integrity (Hebrews 10:24; Romans 12:17).

The EDCS honor code has been established to provide specific expectations of what attitudes and actions are essential in building a school culture that will contribute to the flourishing of all members of the community. Students are expected to contribute to fostering a school community that will reflect the glory of God by personally committing to comply with these standards and by encouraging one another to do so as well.

This Honor Code has been developed in light of I John 2:1. “...I am writing these things to you so that you may not sin. But if anyone does sin, we have an advocate with the Father, Jesus Christ the righteous.” In the previous chapter John calls believers to acknowledge their sin and to confess it to God and be cleansed (I John 1:8-10). Psalm 32:1-5 warns of the difficulties associated with covering our sin and the benefits of seeking forgiveness. The point of the Honor Code is not that it will make us righteous. It will, however, help guide the way to right and honorable living in the academic community. The scripture calls us to confession and repentance when we fail. To deny one’s sin and profess honor while refusing the way of repentance produces a hypocrite. To aspire to honor while recognizing, confessing, and repenting from failure when it occurs leads to growth in grace and builds a community of integrity that glorifies God. The goal is not perfect compliance but that students live honorable and respond with appropriate confession and repentance when they fail. This can lead to restoration and growth in grace and will cultivate a community where all can flourish.

As a student of East Dayton Christian School, I recognize my calling to a lifestyle that glorifies God. I will be committed to uphold and promote honesty, trust, respect and fairness in all aspects of school life as defined in this Honor Code.

As a student at EDCS I will be committed to following the dress code, dressing in conformance with one’s biological sex and using the restrooms that conform with one’s biological sex.

EDCS Honor Code

1. ***I will be committed to academic honesty and integrity:*** by submitting my own work for tests and assignments without the unauthorized assistance of others; by refusing to provide unauthorized assistance to others; by reporting research and accomplishments accurately; and by avoiding any behaviors that involve cheating, plagiarism, fabrications, and falsifying data (Exodus 20:15; Romans 12:17).
2. ***I will be committed to showing respect and cooperation with those in authority:*** by being truthful, honest, and fair in all my communication with the faculty and staff; by avoiding any behavior that shows defiance or insubordination of authority by expressing opinions and making appeals with humility and respect (Titus 3:1-2; Colossians 3:9; Hebrews 13:17).
3. ***I will be committed to showing respect to my fellow classmates:*** by showing tolerance of others and their views; by respecting the personal property of others, by using appropriate, nonviolent means of resolving conflict; by avoiding behaviors as bullying, harassment, hazing, or any speech or behavior which is demeaning to others (Romans 12:9-18; Colossians 3:8-14; Ephesians 5:4; Romans 12:18).
4. ***I will be committed to a lifestyle that pursues excellence in all that I do and say:*** by living a life of integrity and personal accountability to do the right thing; by taking appropriate action against wrongdoing, undeterred by peer pressure, fear, loyalty or compassion; by conducting myself as a responsible member of the school community in a manner that brings honor to the Lord, the school, and my family (Colossians 3:17; Acts 5:29; I Timothy 4:12; 2 Timothy 2:22).
5. I will be committed to the following school policies: by being cooperative and accepting of instruction and discipline; by complying with the school’s student standards of conduct listed in the parent-student handbook. This includes honoring school policies by refraining from the use or possession of alcohol, drugs, or tobacco on or off

campus and by avoiding sexual immorality (I Thessalonians 4:3-8).

I recognize that attendance at East Dayton Christian School is a privilege which includes certain responsibilities, some of which are listed in the Honor Code. I recognize that violations of the Honor Code or school policies may result in discipline, up to and including suspension or expulsion.

I have received a copy of the Honor Code and commit to live in compliance and to respond appropriately should I violate the provisions stated above.

NOTE: The point of the Honor Code is not that it will make us righteous. It points the way to right and honorable living in the school community. The goal is that students live honorably and respond with appropriate confessions and repentance when they fail. This can lead to restoration and growth in grace and will cultivate a community where all can flourish.

STANDARDS OF CONDUCT

A sense of the need for spiritual growth in the light of these principles has led East Dayton Christian School to adopt the following standards, which are believed to be conducive to the environment that will best promote the spiritual welfare of the student. The school, therefore, expects each student whether at home, school, or elsewhere, 24 hours a day, 7 days a week:

To refrain from:

- Indecent language, swearing
- Use, possession, distribution and/or sale of drugs, drug substances, drug-like substances, drug paraphernalia, alcohol, tobacco, and/or tobacco products - **including all vaping products.**
- Behavior that adversely affects the testimony of Jesus Christ, EDCS, and/or the student.
- Aiding and/or abetting any of the above

On school premises and off school premises, at or involving any school-sponsored activity or program, refrain from:

- Possession and/or concealment of a dangerous weapon
- False alarms and/or threats
- Possession and/or use of explosives
- Stealing
- Forgery
- Destruction or defacing of school or private property
- Defiance of authority
- Deception, lying, and/or cheating
- Verbal/non-verbal/written (including electronic) abuse of staff or student(s)
- Vulgarity, profanity, or obscenities (verbal/nonverbal/written)
- Repeated violations of school rules
- Truancy
- **Inappropriate dress: Follow school out-of-dress code guidelines when attending a school event whether on or off campus.**
- Unauthorized absence from class or school
- Leaving school without authorization
- Disruptive behavior
- Fighting, Physical Contact
- Disrespect
- Excessive unexcused tardiness to class and/or school
- Improper relationships (boy/girl and/or same gender)
- Inducing panic
- Inappropriate use of social media

Depending on the severity of the action, in the judgment of the Administration, any of the acts listed above shall constitute sufficient cause for discipline, suspension (a temporary removal from school for a designated period of time, i.e. 3 days), withdrawal, or expulsion (a permanent removal from EDCS.)

East Dayton Christian School admits students of any race, color, national or ethnic origin to all rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in the administration or the educational policies. In keeping with our Christian standards, discrimination will not be tolerated and is subject to disciplinary action.

The selection of the restrictions mentioned may appear arbitrary to some; but while not condemning others who see differently, East Dayton Christian believes that the restrictions named are outstanding types of conduct which are

detrimental to the standards established as its objective.

In this atmosphere of definite and positive Christian standards of conduct, good scholastic planning, and intimate personal interest between faculty and student, there is a fine opportunity for development of strong Christian character.

CARE OF PROPERTY

East Dayton Christian School belongs to God. It is important that we properly maintain and care for it. Thus, willful damage, defacing of, or destruction to school or church property will not be tolerated. All damage must be paid for, whether willful or accidental.

No banners, signs, posters, plaques, pictures, or other objects may be hung on walls of any building without permission from the school office.

No furniture may be moved from any room without the permission of the Superintendent office.

DETENTION POLICIES -- Length: 50 minutes per detention

There will be a required parent administration meeting for all students who receive 10 detentions in a semester before a student is eligible to re-enroll for the following year.

Time served: Every Tuesday and Thursday, when school is in session, 3:10-4:00 p.m.

Missed or Late Detention: If a student has missed or is late to detention, the reason will be reviewed by administration.

Rescheduling a Detention: Parents may request a one-time postponement of any detention in cases where there is a conflicting appointment or other exceptional circumstance following school. This request should be made prior to the detention time through the school office. Final approval will lie with the administration.

DISCIPLINE POLICIES

East Dayton Christian School expects full cooperation from both students and parents in the education of the student. A student who shows repeated behavioral problems may be required to stay after school. Depending on the nature of the offense, teachers are permitted to assign detention for the first offense. This is an indication that parents need to take action at home so that the teacher's time is not consumed with behavioral problems rather than academic instruction. If, at any time, the school feels that this cooperation is lacking, the student may be requested to withdraw. Also, if the behavior of the student indicates an uncooperative spirit, he may be requested to withdraw.

A student may be asked to remain off campus while the administration investigates situations that may involve school and/or student/personnel safety.

GRADES K-12: After a student has accumulated five detentions in a semester, the student may receive an in-school suspension or out-of-school suspension.

The purposes of the discipline policies at EDCS are:

1. to assist the students in developing a lifestyle that is pleasing unto the Lord as they strive to become more like Him
2. to apply Biblical principles in handling daily problems;
3. to provide a consistent pattern of expectations to which students can respond positively;
4. to encourage in students a positive response to authority systems so that they will be better prepared to yield their will to God's will;
5. to protect and build respect for the personal rights of fellow students and adults;
6. to protect and build respect for the personal property of persons and organizations;
7. to encourage students to accept responsibility for their words and actions;
8. to establish standards that would support the Biblical instruction that is provided in the Christian home of which EDCS is an extension;
9. to encourage honesty in all matters;
10. to avoid behavior that may tempt a weaker brother;
11. to protect the integrity of the individual by keeping all disciplinary actions as private as possible.

Any student who has been suspended due to detention accumulation may be placed on probation.

EXTENDED DAY CARE

Afternoon extended day care is available for students **K-5 until 5:30 p.m.** Students may also arrive as early as 6:30 each morning. (See day care brochure for cost.) **Anyone picking up their child from Extended Day Care past 5:30 p.m. must pay \$4.00 per minute late fee.** Two late fees in a semester will result in a three-day suspension of day care services. If upon returning to daycare, the situation continues, the parent will be required to terminate daycare services. In order for your student to attend daycare at any time, either AM or PM, you must fill out a daycare form. Your student will not be

permitted to use the daycare services without having a completed daycare form.

Any 6-12 students who are not involved in an EDCS after school activity, who are in the building past 3:15pm will be waiting at door B on Spinning Rd. At the conclusion of the after school activity, students must be picked up at that time or K-5 students will be sent to daycare and parents will be charged a daycare fee accordingly. Students in grades 6-12 will be waiting for their ride at door B on Spinning Rd.

FRAMEWORK FOR DISCIPLINE

Code of Christian Conduct: East Dayton Christian School has the right to discipline or ask an employee or student to withdraw for any reason. Failure to comply with expected standards of conduct will subject the student or employee to potential disciplinary action, up to and including expulsion or dismissal.

EDCS uses the following in seeking to resolve disciplinary challenges in our school.

1. Teacher talks to, counsels, and/or prays with the student. (This includes administration of the classroom discipline plan.)
2. Disciplinary action is taken, in keeping with the offense.
3. Teacher confers with the parent over the phone, in person, or via email.
4. Parent-Teacher-Student conference occurs.
5. Student is referred to the assistant principal or the principal.
6. Parent-Teacher-Student-Administration conference occurs.
7. Suspension and/or probation (conditional status) and/or recommendation to the Board for expulsion. Depending on the offense, this step may occur before other steps in this plan.

Suspension due to accumulation of detentions does not require a conference.

LOCKERS

Lockers are property of EDCS and furnished to students in grades 4 and up. No student should ever enter another student's locker. Students may need to consider taking enough books for several classes to avoid using the lockers between every class. Lockers are inspected periodically. They must be kept clean and neat. **Food, other than sack lunches, is NOT to be kept in the lockers. The Administration reserves the right to check lockers and all school property that the student uses at any time.**

The student occupying the locker is responsible for damages done to the locker. If students choose to use a lock they are required to use a standard number combination lock. Locker numbers and combinations are to be registered with the homeroom teacher and the Assistant Principal. Students may use magnets, not tape, to post appropriate items inside lockers.

LIBRARY

Students in grades K-5 have library class one day a week. Students in grades 1-6 are allowed to check one book out per week. The book is due back the following week. Books may be checked out for a longer period of time. Students will be charged ten cents (10¢) per day if the book is not returned on time. For lost books, a replacement fee will be charged. All library fines must be paid in order for students to receive their report cards.

LUNCH PERIOD

During lunch, seating in the cafeteria will be reserved for students only - we will not be able to accommodate parents or guests.

- All food is to be eaten in the designated lunch area ONLY.
- Courtesy and good manners shall be in evidence at all times.
- Students are permitted to talk quietly at their table during the lunch period.
- Each student is to clean his area when concluding lunch.
- Students are expected to treat the lunchroom hostesses/hosts and other personnel with respect.
- Any student acting in an unacceptable manner may be asked to eat in an isolated area. A second offense may constitute one detention.
- **Due to food allergies birthday treats are not allowed to be handed out during lunch. Contact your child's teacher for allowable items to be brought into the classroom.**

LUNCH PROGRAM (K-12)

The EDCS lunch program is run by Beavercreek Local Schools, not East Dayton Christian School. Each lunch must be paid for in advance. Lunch money can be brought to school and given to the classroom teacher, or parents may go online and put money in their student's account. If you send lunch money, please put in a sealed envelope with the teacher and student name. Students may purchase just milk if they choose. Please make sure that your child's teacher, the school nurse, and the

school office are aware of any food allergies your child may have. If your child has a verified milk allergy and you submit a doctor's statement to that effect to the clinic, orange juice will be substituted in place of milk in the hot lunches that your child orders. Please inform us of this condition so that we may monitor the purchase of ice cream for your child as well.

If your child arrives at school without a lunch or money for a lunch, then a lunch will be charged to your child's lunch account. After three lunch charges, the student will be given a "peanut butter" lunch along with side dishes.

PARKING

Traffic Pattern (AM)

The Eastman parking lot has a drop-off line for K-5 students as well as limited parking for those parents who wish to escort their students into the building. ALL CARS must enter through the ENTRANCE and follow the line to the back gate.

Parking lot attendants will assist from 7:30-8:00 AM. Those parents who are parking should use the last three rows to park their vehicle. **Due to limited parking parents are encouraged to use the drop off lines**

Parents may also use a drop-off line for grades 6 and up on Spinning Road from 7:30-8:00 AM. This is a one-way driveway; please enter on Eastman and exit out via Spinning Road.

Traffic Pattern (PM)

Students are dismissed on a graduated schedule from 2:30-3:00PM. Schedules are given at Orientation. All students are to be picked up at the Eastman parking lot. You may enter the pick-up lines at each dismissal time or park in the last two rows of the lot.

PROBATION (CONDITIONAL STATUS) - Grades K-12

A student is placed on probation when they reach any of the designated parameters. It gives the student an opportunity to correct the problem. If he or she does not improve to a satisfactory level, he or she may be asked to withdraw from the school.

Academic

A student is placed on Academic Probation for quarterly, semester or end of year average:

- **Students fail a single subject for a quarter.**
- **HS Student fails a single subject for a semester.**

Disciplinary

A student is placed on Disciplinary Probation for a specified period of time as determined by administration if he or she demonstrates:

- A rebellious spirit, which is unchanged after much effort by the teachers or a continued negative attitude and bad influence upon other students.
- Continued deliberate disobedience to a teacher, disregard for school rules, or committing a serious breach of conduct, inside or outside of school, which has an adverse effect upon the school's testimony.

During the probationary period student activities may be limited. Positions of trust and responsibility may be relinquished for a specified period of time. At the end of the probationary period, the student will be evaluated to determine if the conditions set for his/her probation have been fulfilled. A recommendation will be made to (a) remove the student from a probationary status, (b) continue the student's probation status, or (c) have the student dismissed or withdrawn from EDCS.

If any student fails a core subject for a year they may be placed on academic probation for the following school year until the end of the first quarter. At that time the student's grades will be evaluated as to fulfilling conditions set for his/her probation.

OTHER

All other student electronic devices not approved by EDCS are prohibited during school hours.

STUDENT-FACULTY RELATIONSHIP

It is understood that every student at East Dayton Christian School should develop and maintain an attitude of respect for each teacher, office staff, administration, and for fellow students. The proper method of addressing an adult is to use the terms “Miss”, “Mrs.”, “Mr.” ...and all replies should be given respectfully. This standard is applicable throughout the school day, including all school programs and activities which are sponsored by EDCS.

In responding to adults, students are to respond respectfully with such phrases as, “Yes, Sir”, and “No, Ma’am.” Mannerly expressions such as “Please” and “Thank you” and “Excuse me” are to be used when appropriate.

SUSPENSION POLICY

Suspension is a temporary removal from school for a designated period of time.

Students will be suspended from school:

- After a student has accumulated five detentions per semester, the student may serve one day of in-school or out-of-school suspension.
- At administrative discretion.

Students who have earned a suspension due to detention accumulation will be placed on disciplinary probation.

V. EDCS DRESS CODE

EAST DAYTON CHRISTIAN SCHOOL DRESS STANDARDS

I. Statement of Philosophy:

Proper grooming must be taught, along with rules of manner and morals. EDCS supports the emphasis of the Christian home in matters of modesty, dress, and good grooming. EDCS through its dress standards, seeks every means at its disposal

to encourage its students to think and act like Christian ladies and gentlemen. It serves to give the student a distinctive appearance, encouraging Christian conduct and creating school pride. It seeks to create an atmosphere conducive to learning.

II. Statement of Biblical Principles:

- A. Our dress should reflect our Christian walk and character. The objective: clothes are a badge by which we communicate. There should always be cleanliness, neatness, and modesty. Our dress should enhance our good works and be the proper accompaniment of godliness. The objective: to give priority to the spiritual drive over the physical and psychological drives (II Tim. 2:20-25).
Our dress should be characterized by modesty, which means reserved, moderate, chaste, and decent. It should therefore be appropriate and sensible. The objective: through modesty, winning some to Christ, by modesty, emphasizing inner qualities. Modesty, in effect, mirrors the inner being through the outer appearance.
- B. Our dress should give an appearance that reflects our mission and our message (messengers on a pilgrimage, messengers in a priestly role, and ambassadors for Christ) (I Cor. 5:20; I Peter 2:11). We must be mindful that the testimony of our Lord Jesus Christ is extremely important in the eyes of the world, and Christians are expected to live by a higher standard.
- C. Our dress should maintain the distinction between the sexes, recognizing that masculinity and femininity are God-given gifts (I Peter 3:1-6; I Tim. 2:9; Deut. 22:5; I Cor. 6:9-10).
- D. Our dress should characterize a believer's freedom, meaning, "not the right to do what we want, but the power to do what we ought," (Gothard). Paul said in I Cor. 8:9, "Take heed lest by any means this liberty of yours becomes a stumbling block to them that are weak." Your personal appearance should contribute to your testimony for Christ (II Tim. 2:9).

ATHLETICS

Any athletic information can be obtained from <https://www.eastdaytonchristian.org/athletics/>

FINANCES

All monthly tuition payments must be paid through FACTS Tuition Management Company. Information can be obtained in the school office concerning tuition rates and policies.

It is EDCS policy to charge \$25 for all checks returned by your bank for any reason.

East Dayton Christian is endeavoring to keep reasonable tuition rates for the benefit of each parent. For that reason, we have to operate fundraising programs and anticipate each child’s and/or parent’s participation in helping us raise the additional funds needed for the designated school projects, etc.

EDCS Participates in EdChoice scholarships.

Important Note: Any student whose account is not paid in full by the last day of school will not receive their final report card, nor will any records be transferred.

All accounts must be paid in full in order for Kindergarten students to graduate.

High school students will not be allowed to participate in graduation ceremonies until all accounts are settled. **Any student whose account is 2 months past due is unable to attend school and will be considered as an unexcused absence. Once the account is paid to date, the student will then be allowed to resume school.**

East Dayton Christian School does not offer tuition assistance scholarships.

EDCS offers the following discounts:

1. Employee discount:

a. Full time: employee discount is 50% off tuition.

b. Part time: employee discount is 25% off tuition. The employee must work at least 20 hours to qualify.

2. New Life Fellowship Church tithe paying member discount: 10% off tuition.

Students receiving a Traditional EdChoice Scholarship will be eligible for full tuition. Students receiving a scholarship, based on income, may receive a prorated scholarship if the family’s household income is above 450% of the Federal Poverty Guideline. Those families will pay the tuition difference to East Dayton Christian School.

FINANCES – WITHDRAWALS

For a student who attends any part of one day in a month, the responsible party owes tuition for the entire month. No academic records will be transferred until the financial accounts are paid in full.

INDIVIDUAL STUDENT SALES

Non EDCS fundraisers being promoted on school premises should have prior approval in writing from administration. No student sales are allowed.

MISSIONS

K-8 grade students are given the opportunity to pray for students around the world and donate money to Latin America Child Care (LACC). LACC is an organization which allows a child in Latin America to attend a Christian school, receive one hot meal a day, and receive periodic medical and dental care.

Funds are collected daily in each homeroom. Recognition is given at the end of the month to groups of students who

have been faithful in giving and praying for these missions' interests.

High School students will be praying and working with local mission outreach programs.

PATRIOTISM

"Patriotism is an inner feeling that is difficult to define; for each of us it has a different meaning, and each of us meet it with a different emotional reaction.... Where and when these feelings begin we do not know, but we feel that the school should play an important part in developing patriotism in all its aspects. The small child is just beginning to have feelings of loyalty and pride, and these will grow best in an atmosphere of love and security, in aroused interests and broadened fields of good examples in everyday living."(Excerpt from PLANNED PATRIOTISM)

Each school day begins with prayer and pledges to the American Flag, Christian Flag, and the Bible.

SCHOOL VISITS

All guests must sign in at the front office.

Please feel free to consult with the teacher regarding any problems or questions that concern your child. It is the desire of the administrators and faculty to be of service to both parents and students; and each teacher welcomes a visit from any parent.

We do urge, however, that such visits be made by definite appointment with the teacher at a convenient before- or after-school hour. Any parent with an emergency must report to the school office. **Do not go to the classroom after 8:00 a.m. for K-12 without a pass from the school office.** Parents must also sign their child out in the office prior to picking them up before regularly-scheduled dismissal. For the safety of all students, anyone entering the building **must first report to the school office.**

Students and/or other individuals are allowed to visit East Dayton Christian School during normal school hours if prior permission has been given by the EDCS administration.

TECHNOLOGY

K-12th grade students have the opportunity to use a chromebook in the classroom. HS students will be assigned a chrome book. If a chromebook is damaged while in the possession of a 3rd-12th grade student, they may serve detention and/or In-School Suspension. In addition, they will be responsible for repairing or replacing the chromebook. All repairs or replacement purchases will be done by EDCS/Gem City Digital.

HEALTH/SCHOOL RECORDS

In addition to immunization records, all students entering school for the first time must have a Health Record completed by their physician, including vision and hearing. **All health/school records are kept confidential according to standards put forth from the Ohio Department of Education:**

“Parents have the right to inspect and review their child’s education records. Parents also have the right to have their representative inspect and review their child’s records. If the parents’ representative does not accompany the parents, but the parents want the representative to review the files at a later time, the parents should put that permission for in writing.

If there is a question about whether the parents have the authority to review the records, an agency may presume that the parents have the authority to inspect and review records related to their child unless the agency has been advised that the parents do not have the authority under applicable state law governing such matters as guardianship, separation and divorce.”

ILLNESS

A child with a temperature of 100°, vomiting, or acute diarrhea will be sent home. That child cannot return to school for 24 hours until after the fever has subsided (without fever-reducing medication), or vomiting or acute diarrhea have ceased. For the welfare of your child and others in the school, all children who are sick must be kept home. When the child is well enough to participate in a normal school day, please send a hat, coat, etc., as an aid in prevention of future illness. Elementary and intermediate students do participate in outdoor activities each day, weather permitting.

WELLNESS POLICY

East Dayton Christian School supports a school environment that encourages and models nutritious eating habits and physical activity, which promotes lifelong health and academic success.

EDCS will foster in our students an understanding of healthy foods and the acquisition of skills necessary to promote lifelong healthy eating habits and physical activity through a coordinated effort that involves EDCS staff, students, parents, and community members. East Dayton Christian School

Student and Staff Access to Computers, Telecommunications, Electronic, and Networked Information Resources

East Dayton Christian School recognizes that as computers, telecommunications and other new technologies change the ways that information may be accessed, communicated and transferred, those changes may also alter instruction, staff and student learning. Electronic information services are available to students, teachers and staff in our schools who qualify. Our goal in providing this service is to promote education excellence by resource sharing, innovation, and communication. Telecommunications, because it may lead to any publicly available file server in the world, will open classrooms to electronic information which may not have been screened by our staff prior to use by students of various ages. Internet access, monitoring software, and filtering systems are in place at East Dayton Christian School. East Dayton Christian School will make every effort to protect students and teachers from any misuses or abuses of the information service. All users must be continuously on guard to avoid inappropriate and illegal interaction with the information service.

While computers and the school-area network are provided for staff and students to conduct research and communicate with others, access to such will be provided to staff who shall act in a considerate and responsible manner. Such will also be provided to students who agree to act in a considerate and responsible manner. General school rules for behavior and communications apply to all computer use and users (See Student Handbook). Based upon needs determined by designated staff, student use of telecommunications and electronic resources may be permitted upon demonstration of proficiency. Student use shall require submission of permission forms and agreement forms by the parent and by the student. EDCS supports and respects each family's right to decide whether or not to apply for student access while at school. Parents are ultimately responsible for setting and conveying the standards that their children should follow when using telecommunications and electronic information sources.

ARTIFICIAL INTELLIGENCE (AI) POLICY

For the purposes of this policy, artificial intelligence (“AI”) refers to technology that imitates human intelligence for problem solving and learning. Students who use AI must do so ethically and responsibly to enhance their learning in ways that do not compromise instructional objectives for academic integrity. The following principles shall apply to the use of AI by students:

- While AI may be used to supplement, aid, and/or assist students in their academic work, it should not be used as a substitute for a student's own critical thinking, analysis, and/or compositional creations, nor shall it be used in a way which otherwise undermines the instructional objectives of an assignment, as determined by the teacher.
- Teachers retain discretion to determine the extent to which AI use is appropriate in the completion of student work. Teachers may allow its use under certain conditions with prior approval, or allow its use for certain tasks but not others. In cases where AI is used, the fact should be documented and disclosed by the student in a manner consistent with the teacher’s expectations. Students who have any doubt whether their intended use of AI for a particular assignment would violate the schools policy or the teacher’s expectations must consult with their teacher for guidance and clarification prior to completing the assignment.
- The use of AI in violation of school policy or in violation of any restriction or limitation imposed by a teacher shall be considered an act of academic dishonesty as outlined in our Honor Code. Infractions may result in disciplinary action as outlined in that policy. Students using AI are responsible for any violations of law, school policy, classroom rules, or other regulations that may be violated through the use of such technology.
- The District’s use of AI, including the adoption or recommendation of tools, applications, and services which employ such technology, will comply with school policy and applicable law, including but not limited to the Children’s Internet Protection Act (CIPA) and the Children’s Online Privacy Protection Act (COPPA).

STUDENT THREAT ASSESSMENT PROCESS

How is a threat identified?

When a student's behaviors and communications deviate from normal behavior and indicate concern for their own safety or the safety of others, school administration should initiate a threat assessment. The Threat Assessment Team will initiate a threat assessment when any student makes a threat via drawings, writings, gestures, etc., or there is concern that a student may act in a violent manner.

STUDENT THREAT ASSESSMENT STEPS

A threat is reported:

Step 1: Make sure all students are safe

- Appropriately detain the student(s) that are causing concern
- Make sure they do not have access to coat, backpack, electronics, or locker
- If there is imminent danger, call the Riverside Police Dept. (911).

Step 2: Alert the Threat Assessment Team

- Report the situation to the Assistant Superintendent (937) 252-5400
- The Threat Assessment Team consists of:
 - a. Building Administrator (Principal or Assistant Principal)
 - b. Guidance Counselor
 - c. School Nurse
 - d. As appropriate, a teacher or other staff member who knows the student well

Low Level of Concern/Transient

The risk to staff, students, and overall school safety is minimal. Transient threats are statements that do not express a lasting intent to harm someone. Transient threats either are intended as figures of speech or reflect feelings that dissipate in a short period when the student thinks about the meaning of what he or she has said. All transient threats end in an apology or explanation that indicates clearly that the threat is over.

Medium Level of Concern/Serious Substantive Threat

Violent action is threatened and possible. The meaning of the threat is not clear; the threat could be carried out, although the threat may not appear realistic.

- Any threat that cannot be readily identified as transient should be regarded as substantive.
- Threats that involve a plan to assault someone are considered serious substantive threats. A serious substantive threat usually involves a fight or a threat to hit someone or to beat someone up without the use of a weapon.
- This threat is more direct and more concrete than a low level threat; there is no apology and no indication that the threat is over.
- Wording suggests some thought as to how the act will be carried out. There may be an indication of time, place, but not a detailed plan.

High Level of Concern/Very Serious Substantive Threat

This threat involves imminent and serious danger to the safety of others.

- The threat involves a weapon or a threat to kill, rape, or sexually assault someone; behavior that could be considered felonious assault.
- The threat is direct, specific, and the student has the capacity to act on the threat.

Step 3: Complete the Threat Assessment Report Checklist and form(s)

The Checklists will guide the team inquiry, document concerns, and help a Supervision Plan to maximize student safety.

Members of the team will seek information from:

- Current and previous school/discipline records
- Law Enforcement
- Interviews with school staff, students, parents/guardians, the target of the threat, and the student of concern
- Searches of the student(s) lockers, car, etc. as appropriate
- Activities: diaries, notebooks, internet histories
- Parent/guardian interview: offer support; seek their help in understanding and clarifying student behaviors.

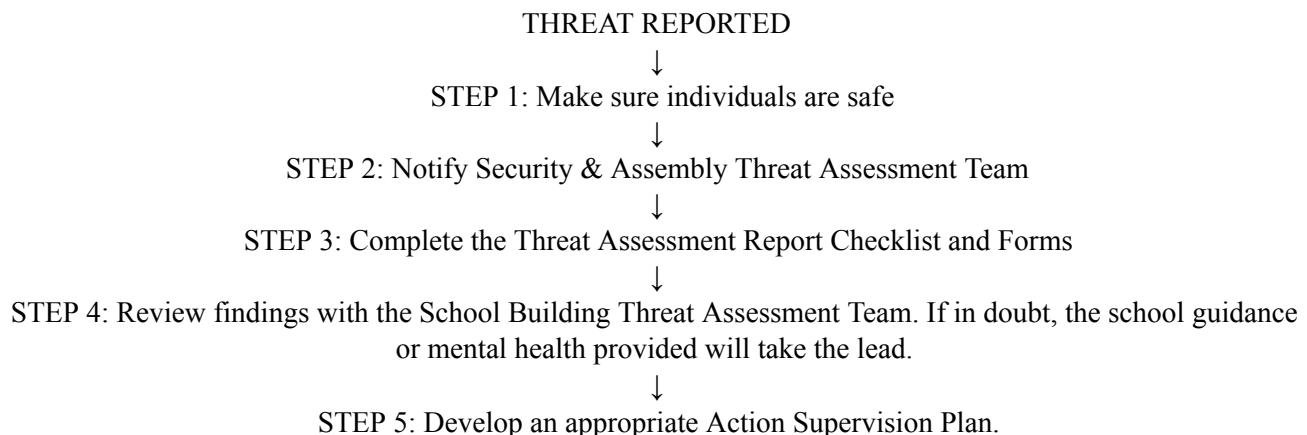

Step 4: Review Findings with the School Building Threat Assessment Team including the Assistant Superintendent

If there is any doubt, the Guidance or school mental health provider will take the lead.

Step 5: Complete the Action and Supervision Plan

Step 6: Communicate Supervision Plan to all school staff that are responsible for the student's educational experience as appropriate.

Important Factors to be considered: The purpose of this protocol is to determine whether a student poses a threat to the safety of others or self, to identify circumstances that may increase the risk for potential violence, and to assist school staff in developing a safety and supervision plan. We need to ask: does the student have the resources, intent, and motivation to carry out the threat? Is there evidence to movement from thought to violent action? Document all information that is pertinent (warning signs, concerns, witness information, parent/guardian input, all checklists, action/supervision plan, etc. Determine level of threat and get completed documents to the Superintendent's Office

East Dayton Christian School

POLICY ON BULLYING

East Dayton Christian School expects its students and employees to show respect to God, country, family, faculty, and fellow students. We desire our students to follow Philippians 4:8 as their guide concerning their choices and conduct...”whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – think about such things”. Christian conduct is expected at all times. It is important for students and staff to remember they represent Jesus Christ at all times whether they are on or off campus.

Conduct that is not a reflection of Christ, and directed to an individual or group, can often be in the form of bullying. East Dayton Christian School, through the Olweus Bullying Prevention Program, has adopted the following definition of bullying:

A person is bullied when he or she is exposed, repeatedly and over time, to negative actions on the part of one or more other persons, and he or she has difficulty defending himself or herself.

Bullying may take one or more of the following forms:

- being verbally bullied
- being socially excluded or isolated
- being physically bullied
- being bullied through lies and false rumors
- having money or other things taken or damaged
- being threatened or forced to do things
- racial bullying
- sexual bullying
- cyber-bullying (via cell phone or internet)

The following anti bullying rules are posted in each homeroom and several hallways:

1. We will not bully others
2. We will try to help students who are bullied.
3. We will try to include students who are left out.
4. If we know that somebody is being bullied, we will tell an adult at school and an adult at home.

East Dayton Christian School teachers will discuss with students the definition of bullying and the four anti bullying rules at the beginning of each school year as well as The Beatitudes from the book of Matthew.

Meetings in homerooms will also address bullying topics to help students gain an understanding and awareness of relationships with peers, communication skills, team building, and respect in light of God’s Word.

East Dayton Christian School recognizes that not all inappropriate behaviors should be considered bullying or willful violation of this policy. Behaviors will be assessed by the teacher and administration and addressed according to the procedures below:

PROCEDURES

- Confidential reporting of any bullying activity can be done by calling the anonymous school help line at 252-5400 (option 4) or via email to:
- Reporting may also be done by filling out the violence reporting form located in each hallway.
- Investigations into bullying allegations will be undertaken in a timely manner after the reporting of a bullying incident, and will be carried out in such a way as to minimize the risk of escalation.
- All parties will be spoken to: victim, bully, and sufficient bystanders to establish the facts of the situation.
- All parties will be asked to give a verified account of what has happened with a view of understanding the whole picture.
- Parents/Guardians of the student(s) accused and the victim(s) of the bullying will be informed.
- All incidents will be documented.
- All staff will be informed about all incidents so that they may be aware of any issues between students.
- Parents/Guardian will be informed throughout the process.
- All incidents of bullying (as noted in the policy's definition) will be followed up in writing to parents/guardians of at least the victim and the bully.
- Bullying incidents will be followed up and students monitored to ensure the incident is resolved satisfactorily. The school will take disciplinary action in cases of retaliation.
- If the reported allegations are found to be true, the following steps will be taken:
 1. Communication with parents, faculty, and staff concerning the situation
 2. Discipline issued, which may involve: Detention, separation, suspension, expulsion; while an investigation takes place, student(s) may be asked to remain off campus until the investigation is complete.
 3. Depending on the situation, local police authorities may need to be contacted.

East Dayton Christian School

CONFLICT RESOLUTION POLICY

Occasionally during the year, misunderstandings or problems can arise between the teacher and a student, teacher and parent, parent and the school, in any one of several possible areas.

Matthew 18:15-17

“If your brother sins against you, go and show him his fault, just between the two of you, go and show him his fault, just between the two of you. If he listens to you, you have won your brother over. But if he will not listen, take one or two others along, so that every matter may be established by the testimony of two or three witnesses. If he refuses to listen to them, tell it to the church; and if he refuses to listen even to the church, treat him as you would a pagan or a tax collector.” NIV translation

I agree by my signature below to handle complaints or problems in the way described below:

1. In light of the Biblical example for conflict resolution, I agree to not discuss concerns that I am having with a teacher or the school with any other parent until I have followed the steps listed below.
2. All questions, problems, or complaints should be brought directly to the teacher or person involved before anyone else is involved. All participants should be tactful, listening and maintaining a positive attitude.
3. If the situation is not resolved at this level through direct contact, it should then be discussed together with the teacher or person involved and their immediate supervisor.
4. If the situation is not resolved at this level through direct contact, it should then be brought to the administrative team.
5. If it is not resolved at this level, the administrative team will then present it to the Superintendent for consideration.

East Dayton Christian School

CUSTODIAL AND NONCUSTODIAL PARENTS IN THE SCHOOL AND PRESCHOOL

What we need from parents

- Parents must provide the school a copy of the child's birth certificate or other legal document showing the names of the natural parents or guardians
- Parents must provide the school with any court order showing the rights of the natural parents or other individuals. The court order must be the complete and most recent court order concerning the child. Updated and amended versions must be provided to the school as soon as possible.
- Parents must accept that the school system and its employees will not play favorites with parents. Parents should not attempt to put their child's teacher or other school staff in the middle of their disputes. ● Parents must not cause a disruption at school. Individuals who do so may be banned from the school. School is not the place for parents to settle private disputes or to compensate for their inability to visit with their child off school grounds.

Rights of all natural parents

- Natural parents are presumed to be the natural guardians to their child.
- Parents are jointly and individually responsible for the support, care, nurturing, welfare, and education of their child.
- Neither natural parent is presumed to have a right to custody or decision making over the other parent, unless there is a court order.
- Separation or divorce does not change the legal rights of the parents, unless there is a court order defining those legal rights. The school system does not recognize less-formal documentation, such as notarized statements or informal agreements.
- Married, unmarried, separated, or divorced parents who share legal custody share equally the right to make major decisions for their child, such as enrollment in a particular school system or the placement of the child in a specialized program.
- If only one natural parent has legal custody, according to court documentation, that parent has the right to enroll or withdraw their child from the school system.

Right of custodial parents

- The school system cooperates with parents in implementing court orders, such as recognizing the rights of the primary physical custodian.
- The parent who has primary custody of a child during the school year has the right to make day-to-day decisions for the child, such as emergency card information, who picks up the child from school, or whether the child can participate in a field trip.
- The school system is not responsible for enforcing visitation or custody schedules. In the absence of an acceptable schedule and full cooperation by parents, the school system will expect that, upon the end of the school day, the child will return to the location where he or she came from that morning, and any visitation or other arrangements shall occur off school grounds.

Rights of noncustodial parents

- Parents who do not have legal or physical custody still retain certain rights, unless a court order states otherwise.
- Noncustodial parents may meet with their child's teacher and other school staff, may obtain a copy of school records, may chaperone on field trips as long as school criteria to do so has been met (such as fingerprinting), and may arrange to receive parental communication from the school, unless there is a court order stating otherwise.
- The school system retains the right (but is not obligated) to notify the custodial parent anytime the noncustodial parent requests information from or asks to meet with school employees or participate in school activities.
- Step-parents and other individuals have no direct right to receive information about a student or discuss a student with school employees, unless they have legal guardianship or written permission of the legal custodian. However, they may participate in any school meeting held with the custodial or noncustodial parent, at the parent's request.
